

### WEST MACS MONSTER RACE RULES

1. All conditions of entry must be met by entrants and buddy runners, including payment of race entry fees and acceptance and signing of the Participant Waiver prior to the start of the event.
2. The event must be completed from start to finish entirely by the entrants own foot power.
3. Any change to event timing, the route or any other aspect of the event stipulated by the Race Director must be adhered to and will be final.
4. All entrants must attend the race briefing relevant to their event distance.
5. Safety of participants during the West Macs Monster is the number 1 priority. In the event that you come across an injured competitor, you must render assistance. It is required that someone stays with an injured runner until further help arrives. Compassionate time claims will be assessed and finishing times adjusted accordingly should that be required. Compassionate time claims should be lodged with the race director or their delegate within 1 hour of finishing the event.
6. All entrants must carry the required Mandatory Gear at all times. Failure to do so will result in disqualification.
7. All entrants must display their supplied race number at all times, front and rear, external to any clothing or carried packs. Failure to do so will result in disqualification.
8. All entrants must carry out all rubbish and only discard rubbish at designated aid stations. Any entrant found to be littering or toileting inappropriately, even if accidental will be disqualified. [This includes biodegradable food scraps such as banana peels etc](#)
9. All entrants must show proper consideration and respect for other users of the Larapinta Trail, understanding that every participants' behaviour affects the reputation of the event and trail runners more broadly. West Macs Monster runners are visitors on the larapinta trail and walkers will have right of way at all times.
10. Any rules and conditions of use stipulated by NT Parks must be fully adhered to.
11. No open fires are to be used or lit for any purpose, unless an emergency survival situation requires it and if so, with extreme care.
12. Teams may only change over runners at designated aid stations. No alternative changeover points will be considered. For 231km teams, the teams SPOT device will also have to be transferred to the next runner.
13. All runners must pass through and be checked off at each manned aid station.
14. For assessment of claims regarding adherence to the designated course, data, as evidence, may be used from Spot Trackers, your personal sports watch or tracking device, Fitness tracking account (such as Strava etc). Volunteering of that data from personal devices, such as those listed above, is a decision of the competitor and is not mandatory.
15. Any protests against another runner or the event, must be lodged within 1 hour of completing the event, to the race director or their delegate. Any subsequent decisions made by the Race Director are final and no correspondence will be entered into.
16. Medical personnel and the Race Director will have final authority regarding any weather or other adverse situation that might cause the event to be altered or cancelled. No refunds will be given for circumstances that arise out of the Race Director's control (such as extreme weather or bushfire events)
17. All pacers/buddy runners must be properly registered and have paid the appropriate fee.
18. Medical personnel and the Race Director will have final authority on the fitness of any participant to continue or not. No refunds will be given for any participant who does not finish due to voluntarily dropping out, or missing a cut-off time, or through a decision of medical personnel or the Race Director.
19. Performance enhancing drugs are strictly forbidden.
20. Nutritional supplements, caffeine and mild over the counter painkillers/anti-inflammatories are permitted but are used at the entrants own risk.
21. All participants are only to use potable water supplies provided by the event, not Larapinta Trail campsite/trailhead water tanks. Larapinta Trail Water supplies are provided for hikers and must only be used in extreme emergencies.
22. All medical conditions must be fully disclosed to the event organisers during the registration process.
23. No entrant may refuse medical treatment or evacuation by medical personnel unless they have formally withdrawn from the event by signing the appropriate withdrawal form.

24. Any participant wanting to withdraw from the event before the finish can only do so at designated aid stations and must notify event personnel and sign a withdrawal form.
25. Timing will be manual and the finishing time given by the event organisers as published on the event website will be final.
26. The event organisers reserve the right to discourage or penalise any behaviour deemed as being un-sportsman like.
27. Any complaint or request for special consideration of any kind must be put in writing to the Race Committee. Any decision of the Race Committee will be final and further correspondence not entered into.
